## LOCAL AND PERSONAL.

Mr. and Mrs. J. W. Griffiths have been advised that Mrs. Griffiths' uncle, Mr. A. A. Locke, died at Pasadena, California. Mr. Locke's home was at Fort Worth, and Mr. and Mrs. Griffiths visited him there last fall. The old gentleman (he was 84) had been in failing health for some time, and was recently taken to California in the hope that the change would prove beneficial, but he developed pneumonia, which resulted fatally. Mr. and Mrs. Griffiths will attend the funeral which will occur at Fort Worth, probably tomorrow.

Mrs. Alice Bertreuer came in Tuesday night from College Station and is recuperating at the home of her parents, Sheriff and Mrs. J. F. Bader. Overwork and suffering from the prevailing malady forced her to seek recuperation and rest for a few days.

Rev. G. W. Muennink was in town from his poultry farm Thursday. He informed us that his chickens are doing fine and supplying about 300 eggs daily. Mr. Muennink's friends will regret to learn that he continues in poor health.

A. L. Haegelin, one of Hondo's progressive stock-farmers, paid his annual call Monday and moved up his dates on FARMING and the Anvil Herald. Like the rest of us, Mr. Haegelin is getting anxious for it to rain.

Mrs. H. H. Whitworth and daughters, Misses Ethel and Lorine, and Miss Dollie Clauch, all of Three Rivers, were here Thursday of last week visiting Miss Katie Henderson.

The young people of D'Hanis and vicinity are invited to a grand dance at the W. O. W. Hall tonight, (Saturday, February 7th.) Everybody come.

The Medina County Jail is again empty. Harry Seiveno and Peagan J. Knight, who was arrested in D'Hanis during the Christmas holidays for burglaries committed in Sabinal, were this week transferred to the Uvalde Jail where they will await trial, the burglaries being committed in that county. The third member of the burglary party, the one charged with shooting Sheriff Matthews at the time the other two were arrested, is still at large. "Mexican Jim," who was held for the Bexar county officials on a charge of car theft, has been transferred to the Bexar Jail. Another young man, held for the Dallas authorities made satisfactory terms with his accusers and was released, consequently the jail is empty. It is something of a nuisance for Medina county to have to maintain a jail for the holding of the lawless of other sections. If it wasn't for these outside law-breakers our jail could be rented out, as it is not needed for Medina county people.

Two tin Henrys tried to butt each other off the highway in the western part of town last Saturday night. While neither exactly succeeded, the looks of the cars show they did their best, and it will take Mechanics some time to get them back in shape for another contest.

## Tells How to End Night Coughing

To quickly stop hacking, irritating coughing at night, a very simple treatment may be had that often enables you to sleep the whole night through undisturbed almost at once.

The treatment is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful at night before retiring, and hold it in your throat for 15 or 20 seconds before swallowing it, without following with water. The prescription has a double action. It not only soothes and relieves irritation and soreness, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. So no matter whether your cough is dry and tight, or loose with much mucus, the coughing soon stops, you can usually sleep your accustomed time without a break, and the whole cough condition goes in a very short time.

The prescription contains absolutely no narcotics or other harmful drugs. Instead of merely numbing the nerves, it actually helps the system to throw off the trouble in a perfectly natural way. Furthermore, it is very economical, the dose being only one teaspoonful. It is highly recommended for coughs, chest colds, tickling, hoarseness and bronchitis, and is wonderful for children's coughs and spasmodic croup. On sale at all good druggists. Ask for

The report from the chemical laboratory in San Antonio to which the stomach of one of the cows found dead on the Fusselman ranch, mention of which was made in last week's paper, and a sample of the water from a waterhole where the cattle drank, disclosed that the water was highly impregnated with arsenic, and that alone caused the death of the cattle. Altogether Mr. Fusselman lost thirteen head of cows, and we understand a cow the property of Mr. Scott, also fell a victim to the poisoned water. Just how the water became poisoned is what is puzzling Mr. Fusselman, as he does not believe he has an enemy. The most plausible theory is that some person, having the poison on hand and wishing to get rid of it thoughtlessly threw it into the waterhole. Since the cattle were forced to go elsewhere than the infected pool to drink, there have been no other fatalities.

W. F. Neumann was the victim of a car accident in San Antonio Monday night about 8:00 o'clock. "Happy" who had just left the Santa Rosa hospital where he had been to visit some of Hondo's patients, was struck by the car as he was standing on the edge of the pavement, hurled some ten feet into the street, rendered unconscious and received some severe bruises, particularly to his right shoulder. He was picked up and carried into the hospital where he was examined by a surgeon, who found no fractured bones, and reported no serious injuries. However "Happy's" injuries forced him to take about a week's vacation from work, which is about at an end now, as he is again back at his accustomed place of business.

Robert Saathoff, who has been quite indisposed for some time, we are pleased to state, is on the road to recovery Lagrippe, flu or whatever it is that is distressing our people, following an attack of diphtheria rendered Mr. Saathoff's condition somewhat serious for a time, but when he recovers from the effects of the anti-toxine treatment, he will possibly again enjoy normal health.

Prof. and Mrs. W. N. Saathoff and two children motored in to San Antonio Thursday to attend the Tuesday Musical Octet, a society of musicians of which their daughter, Miss Irene, is a member. The two-hour program was made up mostly of violin selections, but was sufficiently varied with other features to make it a well-balanced and highly entertaining recital.

Alton, the 14-year-old son of Mr. and Mrs. Otto Mumme, who was seriously wounded as the result of the accidental discharge of a target rifle, mention of which was carried in last week's issue of the Anvil Herald, is making a splendid recovery and will probably be able to leave the hospital and be carried home tomorrow.

When the ground hog came out his lair last Monday and cast his weather-eye on old Sol, he must have given a satisfied grunt as he saw "him for the hay" for another forty days. However, as the ground hog does not have his habitat in Texas, and as we do not know what weather conditions were where he is domiciled, his prognostication, far as Texas is concerned, is entitled to about as much credence as a bipped competitor forecasters. He misses it as often as they do.

**BARN CONSUMED BY FIRE WITH**  
**CONTENTS TUESDAY.**

A small barn on the P. S. Rackley  
property, on North Hondo Street,  
burned early Tuesday afternoon,  
with about 100 bushels of corn and  
some hay and other stuff. The place  
is occupied by Mr. and Mrs. John  
Killough. He was away and Mrs.  
Killough had been raking and burn-  
ing trash. While she had stepped  
into the house, it seems the wind  
must have whipped the fire into the  
hay and when she looked out the  
fire was coming out of the top.  
Neighbors telephoned down town  
and a crowd went out in time to  
save the garage in which the Ford  
car was standing, though the garage  
was on fire once. Mrs. Killough was  
overcome with the heat and fright  
and required the attention of Dr.  
Cochran, who had gone to the fire.  
No insurance is reported.

**COUNTY TEACHERS' ASSOCIA-**  
**TION MEETS.**

The Medina County Teachers' As-  
sociation met at Hondo Saturday  
morning of last week in a very in-  
teresting meeting. A total of about  
twenty-five teachers representing  
fourteen schools of the county were  
present. The following program was  
carried out:

Meeting called to order by Supt.  
A. B. Smith, Devine, chairman.

Roll Calls of Schools of the  
County, Supt. W. N. Saathoff.

Some Things Club Work can do  
for a Community, Supt. J. J. Bates,  
Yancey.

Club Work in Medina County,  
County Agent, J. P. Forgason.

Reports from various schools hav-  
ing Clubs.

Address, Supt. W. N. Saathoff.

Some Things That Make for a  
Successful County Meet. Supt. P. P.  
Brewster, Hondo.

The Medina County Meet:  
General Discussion:

Some encouraging reports were  
given by schools attempting club  
work for the first time the year. Mr.  
Forgason emphasized the idea that  
the purpose as county agent was not  
to teach the farmers how to farm,  
but to assist them in the kind of  
farming they were already doing.

His plan of action in club work is  
to make the work a community af-  
fair with the rural schools as a center  
with the help of the teachers in  
those schools. About seven rural  
schools reported upon what they had  
done so far this year. Mr. Saathoff  
in the course of his remarks urged  
all teachers to pay their poll tax  
and get their friends to do likewise.

Other things touched upon by him  
were importance of teachers joining  
the State Teachers' Association, co-  
operate together for a county fair,  
and repeal of the free textbook law.

Superintendent Brwster of Hondo  
dealt mainly with the idea of fair  
play and sportsmanship in conduct-  
ing county meets; he also assured  
the teachers present of a hearty  
welcome to Hondo during the county  
meet. A motion was made by  
Mr. Saathoff, and seconded by  
Mr. Brewster that the Association  
meet next in Devine the first Sat-  
urday in March. This motion was  
carried unanimously and the meet-  
ing adjourned.

**COUNTY LEAGUE MEET MARCH**  
**27-28.**

At a meeting of the executive com-  
mittee of the Medina County Inter-  
scholastic League held in Hondo  
last Saturday afternoon it was de-  
cided to have the county meet Fri-  
day and Saturday, March 27-28.

The tentative program adopted pro-  
vides for debates, music memory,  
spelling, essay writing, declamation,  
arithmetic contests, track prelimi-  
naries, tennis preliminaries and the  
extemporaneous spaking Friday of  
the first day. On Saturday will be  
held the volley ball tournament, tennis  
and field events. The details of the  
program were left to the director  
general to work out. Among other  
details worked out at the meeting  
were: an agreement to follow specifi-  
cally all rules laid down by the Con-  
stitution and Rules of the University  
Interscholastic League, and conduct  
only those contests provided for  
therein, to award ribbons only to  
winners, to charge 50c admission for  
adults and 25c for children for the  
two days, contestants being admit-  
ted free. It was moved and carried

**RESULTS THAT MAY BE**  
**Proven by Hondo People.**

Thousands of kidney sufferers have  
tried remedy after remedy with only  
temporary benefit. That's mighty  
discouraging! But one kidney reme-  
dy has earned a reputation for last-  
ing results and there's plenty of  
proof right here in Hondo.

Read the experience of one who  
used Doan's Pills years ago and now  
makes her endorsement even strong-

Mrs. Heyo Schweers, Hondo, says:  
"I had an attack of kidney trouble.  
My kidneys acted irregularly and  
caused annoyance and there were  
other ailments arising from disor-  
dered kidneys. I believe the trouble  
was brought on by a cold which  
settled in my kidneys. Doan's Pills  
from Windrow's Drug Store correct-  
ed the trouble which has never re-  
turned."

FOUR YEARS LATER, Mrs.  
Schweers said: "I have had no oc-  
casion to use Doan's since they cured  
me."

## PROGRAM ARRANGED.

County Agent Forgason's program for the coming year was arranged by the advisory council at a meeting held last Saturday at Hondo. The Advisory Council consists of one farmer from each community in the county, these men being appointed by the Commissioners Court. The duty of this council is to advise with County Agent Forgason in order to get more efficient work done in the County.

The meeting Saturday was called to order by County Agent Forgason who introduced Mr. R. R. Lancaster, specialist from A. & M. College, and Mr. W. H. Darrow, District Agent, also from A. & M. Mr. Lancaster told of the work going on in Medina County and what could be done with a bit of cooperation. He had charts to illustrate his talk. A general discussion was engaged in and each man told his opinions.

It was decided to have the County Agent spend most of his time with the boys and girls club work and to push the pecan improvement campaign.

Resolutions were adopted and signed by those present warning the people to investigate all get-rich-quick schemes, such as the buy-back hog plan that is sweeping the County.

The farmers of the county want a County Fair this fall and each man present promised to send a committee to Hondo to meet with the Chamber of Commerce and the Race Horse Association in the near future to arrange for a Fair.

The council elected S. H. Saathoff, president, and County Agent Forgason, secretary. The men appointed by the Court on the council are: Adolph Wurzbach, Cliff; Herman Bippert, Riomedina; E. B. Haegelin, Yellow Banks; S. H. Saathoff, Quihi; E. H. Hartman, New Fountain; Aug. Spott, Tarpley; Martin Nester, D' Hanis; Arthur Rothe, Kincheloe Prairie; Walter Rothe, Upper Seco; Joe Burgin, Yancey; C. A. Duncan, Black Creek; Paul Keller, Shookville; Wm. Santeben, LaCoste; J. H. Spivy, Natalia and Albert Bihartz, Biry.

## A NEW GARAGE.

A new and somewhat pretentious garage will be established on the highway by Joe Monkhouse and Barnitz Carle.

A contract has been entered into with Alfred Brucks for the construction of the building. The building will have a frontage of 35x20, the material to be used to be of corrugated iron. An innivation, a rest room for ladies eight feet square will be provided for, while the garage proper will occupy a space of 48 1/2 x 50 feet.

The new business will be located on the highway immediately east of the old Cottage Hotel and the new firm expected to throw open its doors for business in about thirty days.

The promoters of this new enterprise are a couple of Hondo's live wires and if energy and integrity count for anything in business there is but little doubt of their success. Read their ad in another column, "Ten Dollars for a Name," put in your suggestion. You may pick up some easy money.

## New Method Heals Pyorrhea

Ten Year Bad Case Completely Healed In a Short Time Writes Florida Woman.

Faced with the loss of her teeth, after 10 years' suffering, Mrs. M. J. Travis, an esteemed resident of Jacksonville, declares she finally saved her teeth by a simple home treatment: "worth its weight in gold." Using her own words: "After having pyorrhea for 10 years my mouth is now healed. Before I found out differently, I was told there was no relief and had yielded to the loss of six fine solid teeth. Then I discovered Moore's pyorrhea treatment. Three days after starting its use, the soreness left my gums; my teeth began to tighten. Now my teeth are clean, my breath sweet, and my mouth completely healed."

The experience of Mrs. Travis is duplicated in hundreds of other cases. If you have pyorrhea—or threatened with pyorrhea your teeth are in danger. Quick and effective treatment is necessary. You can test, without money risk, the treatment used by Mrs. Travis. Simply write the Moreham Co., 2159 Gateway Station, Kansas City, Mo. Under their guarantee of refund send two dollars. Or, pay postman the \$2 with a few cents postage. Use the treatment 7 days. Then if you are not wholly satisfied, write to that effect and your \$2 will be returned at once.
